

# Ryedale<sup>e</sup>News

Ryedale residents can find out more about services provided by their local authority – by signing up to a new on-line newspaper.

As part of Ryedale District Council’s efforts to save money and improve services, from September 2012 the Ryedale News becomes the Ryedale E News – an online newspaper highlighting what the authority is doing throughout the area.

News items, key event information and consultation on major issues will feature in the online newspaper which will be available monthly.

The Ryedale E News will be available to any Ryedale resident or business who signs up to receive it, by going to the eNewsletter Subscription page, by filling in this form available in Reception at Ryedale House, Malton or any of the area offices in Pickering, Kirkbymoorside and Helmsley. Alternatively, you can scan the QR code to the right with your mobile phone to access the online registration form.

Residents can also sign up to receive SMS and text messages to receive information on council services.

Anyone who receives the Ryedale E News can unsubscribe at anytime.
